Why

Open Art Spaces

Curate

We bring a carefully selected mix of independent artists, creatives and experiences that fit your audience and space.

Activate

We transform spaces into lively destinations with art, making, music and social experiences.

Amplify

We promote events across our own channels, giving your activation an audience before the day even begins.

Manage

From risk assessments and logistics to artists, staffing and on-the-day delivery, we manage the moving parts.

How it works

01 — DISCOVER

We understand your space, audience, objectives and activation goals.

02 — CURATE

We build the right mix of artists, workshops, and entertainment.

03 — PLAN

We manage artists, suppliers, logistics, risk assessments, infrastructure and promotion.

04 — ACTIVATE

Our team delivers and manages the experience on the day.

05 — REPORT

We capture the results, audience engagement and key learnings.

We've done this before.
